This certification is valid for six months and must be renewed by attending [DAY VEE \(#100.1\)](#) and [NIGHT VEE \(#100.2\)](#) Certification Courses. Additional topics include Air Pollution and Its Effects, Meteorology, Water Vapor Plumes, Air Pollution Law, Air Compliance Inspection Procedures and Documentation.

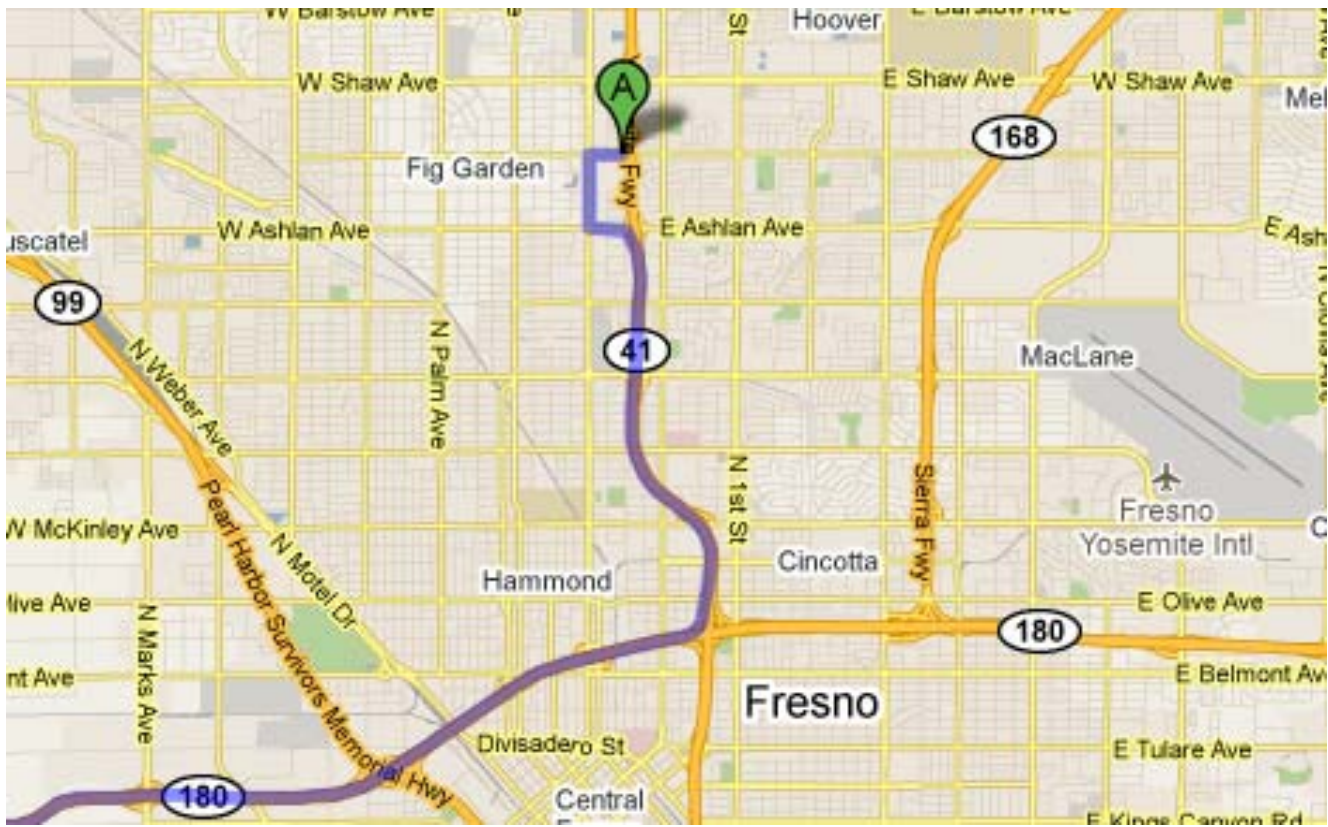

Completion of Fundamentals of Enforcement (FOE) is required for anyone who seeks VEE Certification from the California Air Resources Board. It is also a requirement for anyone who seeks to be listed under VEE with the [California Air Resources Board Independent Contractor's Program](#). This is to ensure all CARB certified VEE readers meet our standards of certification and understand the California VEE laws.
